Right on Collin Co Outer Loop
Left on TX-121N
Left on E Houston Street
Left on Lundy Lane
Right on Houston Street
Right on Adventure Way
You've arrived! Call 214-724-4114 for help.

What are YW camp registration costs and deadlines?

The cost of YW camp in 2019 will be **\$195**.

***Online Registration paperwork is due on or before Sunday, April 14, 2019. ONCE ONLINE REGISTRATION CLOSES YOU WILL NO LONGER BE ABLE TO REGISTER FOR GIRLS CAMP. NO EXCEPTIONS. Your YW president, ward camp director and clerk will determine when camp payments are due.** All camp payments should be submitted through your Bishopric using tithing slips, mark the "Other" section and write "YW Camp."

We encourage young women to earn their own money individually to pay for camp fees. Parents are encouraged to help their YW in this endeavor and discuss with ward leaders regarding fundraising opportunities. (Parents should talk with your ward's YW President or Bishop if they have any questions or concerns about YW camp fees.)

Registration Forms

Registration will be completed and submitted online this year on carrolltonstakeyouth.com

Each YW camper will need to submit:

- Online Registration form with Camp Participation Contract included
- CCAC Release form
- Copy of current immunizations (2nd year campers and beyond should have these on file, nurse will contact you if you need updates)
- Fees paid to your ward

Who is eligible to attend YW Camp?

The YW Camp program is designed to serve the young women from the year they turn 12 through the summer after their junior year in high school.

Level breakdowns are as follows:

Level 1 – 12 year olds who have not yet attended camp and 11 year olds who are turning 12 in 2019

Level 2 – young women entering 8th grade in Fall 2019

Level 3 – young women entering 9th grade in Fall 2019

Level 4 – young women entering 10th grade in Fall 2019

Levels 5 & 6 (YCLs) – young women entering 11th and 12th grades in Fall 2019

*Discussion among parents, Bishops and YW leaders is appropriate in cases that do not neatly fall into one of the above categories to determine what is best for the young woman using the outlined guidelines as the general rule.

Behavior standards at camp – (see online camp participation contract)

Every young woman attending camp is expected to dress and behave in a manner consistent with church standards. We expect each young woman to respect the property of the camp facility, and other participants at camp. We also expect that each young woman will be respectful in her demeanor, language and actions to adults and other young women, and that her actions reflect in every way that she is a daughter of God. Specific dress code requirements are listed at the top of the packing list.

Cell phones at camp

Cell phones and other electronic music and media devices are **not permitted at camp**. YW camp is intended to be an experience where the young women get away from the influences of the world. As such, we ask that these items be left at home. If you have a specific need to contact your daughter during the week, you can make arrangements to communicate with your daughter through your ward camp leader. Any phones that are brought to camp accidentally or intentionally will be collected and given to their specific ward leader for safekeeping until camp breaks on Saturday.

Can I invite my friend who is not a member of the church?

In the past we have been able to accommodate non member friends, however, with the new changes in the youth programs this year, we will have a larger than expected amount of member participants. Our contract with CCAC only allows for a specific number of participants so we will be unable to accommodate any non member friends this year. Bishops are able to determine if an unbaptized member falls into this category or not. We will be re-evaluating our numbers and contracts for 2020 and hope to be able to accommodate non members in the future.

What is the camp policy about prescription medication?

Any prescription medication must be given to the camp nurse upon arrival at YW Camp. All medications should be in their original bottles. The camp nurse will oversee and administer all prescription medications at camp.

Over the counter medications will be administered only with prior authorization by a parent/guardian (see online camp registration forms).

What will the sleeping arrangements be?

Collin County Adventure Camp is a beautiful facility with air-conditioned cabins with their own bathroom equipped with 2 showers, 2 toilets and 2 sinks in each cabin. The girls will be sleeping on bunk beds divided into levels instead of sleeping within their ward units. Our hope is to have the girls build stronger relationships within the Stake.

What else should I bring to camp with me?

Obtain a packing list of items to bring to camp from your Ward Camp Leader or online.

Can I bring snacks to camp with me?

We will be providing food for 3 meals a day and evening snack. In addition, water stations will be provided at the various activities all day.

The food provided will be adequate, and you do not *need* to bring any other food. However, if you *wish* to bring your own snacks, please remember that **all snacks should be kept in sealed ziploc containers/bags to prevent ants from finding your food.**

We look forward to another great year of camp with the Carrollton Stake Young Women! If you have any questions, please contact your Ward Camp Leader or YW leader.
