

# Carrollton Stake YW High Adventure 2022: Caddo Lake

## Frequently Asked Questions for YW and Parents

### Where/When is High Adventure?

Caddo Lake State Park - June 2 - 4, 2022.

Young Women and Stake Leaders will depart from the stake center on the morning of **Thursday, June 2, 2022**

We will break camp at approximately 11:00 AM on **Saturday, June 4, 2022**.

### What will we be doing at High Adventure?

While at High Adventure we will be camping in tents, preparing and cooking our own food, hiking, canoeing, playing games, having devotionals, building leadership skills, strengthening friendships, and drawing closer to the Lord.

### What are the High Adventure costs and deadlines?

The cost for High Adventure is **\$60 per participant**.

- The Registration Form is located on the youth website, **carrolltonstakeyouth.com**. All payments should be submitted to your wards and not the stake. On the tithing slip, mark "YW High Adventure" in the *Other* category.
- **Online Registration Form** is due on or before **Sunday, May 15, 2022**. **Registration will close after this date.**

### Behavior standards at camp – (see Code of Conduct on Registration Form)

Every young woman attending camp is expected to dress and behave in a manner consistent with church standards. We expect each young woman to respect the property of the camp facility and other participants at camp. We also expect that each young woman will be respectful in her demeanor, language and actions to adults and other young women. Specific dress code guidelines and behavioral expectations will be included in the Camp Code of Conduct found in the Registration Form.

### Cell phones at camp

Cell phones and other electronic music and media devices are **not permitted at camp** (ipad, computers, etc). YW camp is intended to be an experience where the young women get away from the influences of the world. As such, we ask that these items be left at home. If you need to contact your daughter(s) during the week, you can make arrangements to communicate through ward camp leaders. Any phones that are brought to camp accidentally or intentionally will be collected and given to their specific ward leader for safekeeping until camp breaks on Friday.

### What is the camp policy about prescription medications?

Any prescription medication must be given to the camp nurse upon arrival at YW Camp. All medications should be in their original bottles. These medications will be securely locked in a medicine cabinet, and will be administered by the Camp Nurse. Over the counter medications will be administered only with prior authorization by a parent/guardian (see camp registration forms).

### What will the sleeping arrangements be?

We will be sleeping in tents at Caddo Lake State Park. Young Women and parents can decide if the YW wants to sleep alone in a one man tent, or in a larger tent with three or more YW. All tentmates must be indicated on the registration form and approved by parents when filling out the form.

### **What else should I bring to camp with me?**

See the personal checklist for a list of items to pack for high adventure. This list can be found online at [www.carrolltonstakeyouth.com](http://www.carrolltonstakeyouth.com) along with the High Adventure Registration Form.

### **Can I bring snacks to camp with me?**

We will be providing food for the duration of High Adventure. You are welcome to bring additional snacks, however you may be asked to leave them in a leader's vehicle or a cooler as we want to avoid any unwanted "guests" at our campsites. You will be asked to bring an additional \$10 to \$15 for lunch on Saturday as we drive home.

### **Food Allergies or Restrictions At Camp**

Once everyone is registered for camp, we will assess any meal restrictions or allergies and plan our meals accordingly.

### **Schedule**

A tentative schedule for High Adventure will be shared with you. This is just tentative and may change as we get closer to High Adventure. But it will give you a general idea of what we hope to accomplish over the course of the three days.

We look forward to the beginning of a new adventure for the older young women in the Carrollton Stake! If you have any questions, please don't hesitate to reach out and contact us or your other Stake Leaders.
